I. Company Reports:

I. 2025 Business Report is submitted for review.

Note: Please refer to Attachment I for the business report in details (Please refer to P.5~P.6).

II. The 2025 Audit Committee's Review Report is submitted for review.

Note: Please refer to Attachment II (please refer to P.7) for the 2025 Audit Committee's audit report in details.

III. The report on distribution of 2025 remuneration to employees and directors is submitted for review.

Note:

1. According to the provision of Article 19 of the Company's Articles of Association, an amount equivalent to 6%~10% of the Company's earnings, if any, should be appropriated as remuneration to employees; also, an amount less than 2% of the earnings should be appropriated as remuneration to directors.
2. 9.8% provided as the remuneration to employees, totaling NT\$1,237,000,000, and no more than 2% as the remuneration to directors, totaling NT\$89,408,000, both paid in cash.

IV. The report on distribution of 2025 earnings is submitted for review.

Note:

1. According to Article 19-1 of the Articles of Association, the Board of Directors is authorized to resolve that the shareholders' stock dividend and bonus be allocated in cash, and shall also report to a shareholders' meeting.
2. The stock dividend and bonus to shareholders in the amount of NT\$7,555,467,920 are allocated in cash, representing NT\$40 per share. The cash dividends are rounded down to the nearest whole number. The total fractional amounts less than NT\$1 are listed in ascending order according to the amount and account number, until it means the total distribution amount for shareholder cash dividends.
3. The motion is passed upon resolution by the Board of Directors and the Chairman of the Board of Director is also authorized to set the ex-dividend date, date of allocation and other matters separately. Where any reason or the changes in the Company's capital stock, if any, affect the number of outstanding shares and thereby cause changes to the shareholders dividend ratio, in which case certain correction is needed, the Chairman of the Board shall be responsible for dealing with it with full authority.

V. The report on distribution of 2025 remuneration to directors is submitted for review.

Notes:

1. According to Article 5 of the Company's "Organization Rules of Remuneration Committee," the Remuneration Committee shall periodically review the evaluation on performance of the Company's directors and determine their remuneration. The remuneration to directors shall be paid in accordance with the "Regulations Governing the Distribution of Remuneration to Directors."
2. Based on the payment standard of directors' remuneration, in addition to

the attendance fee for directors' meetings and a fixed monthly fee for independent directors to perform business activities, no more than 2% of the annual profit shall be appropriated as director's remuneration according to the "Articles of Incorporation." The Board of Directors is authorized to determine the remuneration to all directors in accordance with the level of participation in the operation of the Company and the value of their contribution, and in reference to the pay level among the peer companies.

3. For the details of remuneration to individual directors of the Company in 2025, please refer to Attachment III (please refer to P.8).

VI. Report on the repurchase of treasury stock

Note: For details of the Company's stock repurchase, please refer to Attachment IV (on P.9)

Return on shareholders' equity = 54.22%

Net profit margin = 13.87%

Earnings per share (NT\$/share) = 48.08

III. The 2025 operational outlook

(I) Business goals

In 2026, United Integrated Services is expected to fully benefit from the structural investment wave driven by the global semiconductor industry and AI-centric applications. As AI technology and its applications continue to expand rapidly, sustained growth in demand for high-performance computing (HPC) chips and memory has become a key driver of investment in advanced processes, advanced packaging, and high-tech facility construction.

Major clients are expected to launch investment plans for multiple wafer fabs beginning in early 2026, with deployment spanning all major technology clusters across Taiwan as well as active overseas capacity expansions and technology upgrades. Given the large scale and high continuity of the associated fab construction requirements, these developments present the Company with stable and predictable growth opportunities. In response to the substantial and intensive engineering demands, United Integrated Services will proactively strengthen its technical team and human resource allocation, while simultaneously optimizing supply chain management and risk control mechanisms to enhance overall project execution flexibility and delivery capacity.

Looking ahead to 2026, despite the global economy remaining susceptible to geopolitical developments and policy changes, the Company will leverage its order management capabilities, cross-regional experience, and supply chain integration flexibility to demonstrate resilient operational performance. Future operational priorities will focus not only on revenue growth, but

more critically on optimizing the profit structure and enhancing risk management capabilities. The Company aims to convert industry growth momentum into long-term and sustainable corporate value, generating enduring returns for shareholders.

(II) Business Policy and Development Strategy

As the global semiconductor industry enters a growth phase driven by AI and high-performance computing (HPC), the rapid advancement of integrated circuits in advanced process nodes and advanced packaging has significantly intensified demand for high-tech facility construction, while requirements for systems integration, construction schedules, execution precision, and overall project complexity have risen considerably. United Integrated Services will continue to focus on Taiwan's key market, proactively deploying specialized personnel and technical resources in anticipation of its major customers' facility construction needs for advanced process nodes and advanced packaging, while reinforcing supply chain oversight and cost controls to sustain stable project profitability and competitive advantage in a high-demand environment.

On the international front, United Integrated Services continues to demonstrate its cross-regional resource integration capabilities and project execution flexibility. As the Phase 2 project advances, the Company has adopted the operational expertise accumulated during Arizona Phase 1 as its management benchmark, while progressively building a local supply chain and advancing technical capabilities to strengthen long-term partnership relationships.

(III) External competition, regulatory environment, and overall business environment impact

With AI technology evolving rapidly in 2026, demand for advanced process nodes and advanced packaging has risen significantly. Industry competition now extends beyond the technical dimension to encompass a comprehensive test of supply chain integration and project execution capabilities. Sustained growth in AI chip demand has also prompted major memory manufacturers to expand their capital expenditure programs, further driving the build-out of high-tech fabrication facilities.

In response to the escalating international ESG trends and increasingly stringent carbon reduction requirements from clients, United Integrated Services has proactively positioned itself ahead of the curve by actively advancing carbon inventory operations and establishing standards that align with client requirements. Through a well-developed carbon management process, the Company reinforces long-term collaborative relationships with its clients and strengthens its low-carbon competitiveness and sustainable operations capabilities within the semiconductor supply chain.

The AI wave represents not a short-term cyclical phenomenon, but a development that exerts a profound and lasting impact on industry structure and the global economy. The Company has

established long-term and close collaborative relationships with its industry partners, working together to embrace this pivotal phase of growth. In navigating the evolving international political, economic, and industry landscape, United Integrated Services will maintain a steady and disciplined operational pace, integrating global resources and strengthening talent development to ensure the Company sustains its competitive advantage and achieves sustainable operations amid a dynamic environment, thereby creating long-term value for shareholders.

Annex V

(Independent Auditors' Report and Financial Statements)

Independent Auditors' Report

To the Board of Directors of United Integrated Services Co., Ltd.:

Opinion

We have audited the consolidated financial statements of United Integrated Services Co., Ltd. and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2025 and 2024, the consolidated statement of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, based on our audits and the reports of other auditors (please refer to Other Matter section), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2025 and 2024, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Matter

We did not audit the financial statements of investee companies under the equity method and certain information of Note 13 (b) "Information on investees of the consolidated financial statements". Those statements were audited by other auditors, whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for these investee companies, is based solely on the reports of other auditors. The investments in the investee companies constituted 1.05% and 1.75% of the consolidated total assets, as of December 31, 2025 and 2024, respectively. For the years then ended, the recognized shares of profit of associates accounted for using the equity method of these investee companies constituted 1.15% and 1.24% of the consolidated total profit before tax, respectively.

United Integrated Services Co., Ltd. has prepared its parent-company-only financial statements as of and for the years ended December 31, 2025 and 2024, on which we have issued an unmodified opinion with the Other Matter paragraph.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our judgment, the key audit matters we communicated in the auditors' report were as follows:

1. Revenue recognition

For the accounting policies related to revenue recognition, please refer to Note 4 (o) "Revenue recognition"; for uncertainty of accounting estimates and assumption for revenue recognition, please refer to Note 5 (a) "Revenue recognition"; for information of revenue recognition, please refer to Note 6 (v) "Revenue from contracts with customers" to the consolidated financial statements.

Description of Key Audit Matter:

The Group recognizes construction contract revenue by percentage of completion method. The percentage of completion is based on the contract costs incurred as of the financial statements reporting date, representing the percentage of the estimated total contract costs. Because construction contract accounting involves a high level of estimation and judgment, revenue recognition has been identified as one of the key audit matters for our audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included: (i) testing the effectiveness of the internal control related to the timing and precision of revenue recognition; (ii) selecting samples of construction projects and inspecting the contracts, the dispatch lists as well as the project status records to assess whether the revenue was recognized at the appropriate timing. ; (iii) obtaining the annual construction revenue statistics of the Group and assessing whether the revenue recognition was appropriate.

We obtained annual project revenue statistics and validated the correctness of revenue recognized on the projects.

2. Fair Value Measurement of Financial Instruments

For the accounting policies related to the assessment of financial instruments, please refer to Note 4 (g) "Financial Instruments"; for uncertainty of accounting estimates and judgments for fair value of financial instruments, please refer to Note 5 (b) "Fair value of financial instruments"; for information of the fair value of financial instruments, please refer to Note 6 (y) "Fair value hierarchy information" to the consolidated financial statements.

Description of Key Audit Matter:

Part of the financial instruments are measured using the fair value model, and the accounting of the assessment involves a high level of estimation and judgment. Therefore, the assessment of financial instruments has been identified as one of the key audit matters for our audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included: (i) understanding and inspecting the procedures for fair value measurement performed by the management ; (ii) appointing our valuation specialists to assess the reasonableness of valuation techniques and to test the key parameters of financial assets without active market prices, wherein valuation models are used to check whether the applied valuation techniques are in accordance with IFRS 13 “Fair Value Measurement” ; (iii) verifying whether the presentation and disclosure of financial instruments comply with the International Financial Reporting Standards.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRIC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the management is responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group’s financial reporting process.

Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group’s internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

4. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chen, Fu-Jen and Chen, Yi-Jen.

Independent Auditors' Report

To the Board of Directors of United Integrated Services Co., Ltd.:

Opinion

We have audited the financial statements of United Integrated Services Co., Ltd. ("the Company"), which comprise the balance sheet as of December 31, 2025 and 2024, the statement of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of material accounting policies.

In our opinion, based on our audits and the reports of other auditors (please refer to Other Matter section), the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Matter

We did not audit the financial statements of certain investee companies under the equity method and Note 13 (b) "Information on investees of the financial statements". Those statements were audited by other auditors, whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for these investee companies, is based solely on the reports of other auditors. The investments in the investee companies constituted 1.61% and 2.05% of the total assets, as of December 31, 2025 and 2024, respectively. For the years then ended, the recognized shares of profit of associates accounted for using the equity method of these investee companies constituted 1.18% and 1.27% of the total profit before tax, respectively.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our judgment, the key audit matters we communicated in the auditors' report were as follows:

1. Revenue recognition

For the accounting policies related to revenue recognition, please refer to Note 4 (o) "Revenue recognition"; for uncertainty of accounting estimates and assumption for revenue recognition, please refer to Note 5 (a) "Revenue recognition"; for information of revenue recognition, please refer to Note 6(t) "Revenue from contracts with customers" to the financial statements.

Description of Key Audit Matter:

The Company recognizes construction contract revenue by percentage of completion method. The percentage of completion is based on the contract costs incurred as of the financial statements reporting date, representing the percentage of the estimated total contract costs. Because construction contract accounting involves a high level of estimation and judgment, revenue recognition has been identified as one of the key audit matters for our audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included: (i) testing the effectiveness of the internal control related to the timing and precision of revenue recognition; (ii) selecting samples of construction projects and inspecting the contracts, the dispatch lists as well as the project status records to assess whether the revenue was recognized at the appropriate timing. ; (iii) obtaining the annual construction revenue statistics of the Company and assessing whether the revenue recognition was appropriate. We obtained annual project revenue statistics and validated the correctness of revenue recognized on the projects.

2. Fair Value Measurement of Financial Instruments

For the accounting policies related to the assessment of financial instruments, please refer to Note 4(f) "Financial Instruments"; for uncertainty of accounting estimates and judgments for fair value of financial instruments, please refer to Note 5(b) "Fair value of financial instruments"; for information of the fair value of financial instruments, please refer to Note 6(w) "Fair value hierarchy information" to the financial statements.

Description of Key Audit Matter:

Part of the financial instruments are measured using the fair value model, and the accounting of the assessment involves a high level of estimation and judgment. Therefore, the assessment of financial instruments has been identified as one of the key audit matters for our audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included: (i) understanding and inspecting the procedures for fair value measurement performed by the management ; (ii) appointing our valuation specialists to assess the reasonableness of valuation techniques and to test the key parameters of financial assets without active market prices, wherein valuation models are used to check whether the applied valuation techniques are in accordance with IFRS 13 "Fair Value Measurement" ; (iii) verifying whether the presentation and disclosure of financial instruments comply with the International Financial Reporting Standards.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on this financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation preclude public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chen, Fu-Jen and Chen, Yi-Jen.

Appendix I

UNITED INTEGRATED SERVICES CO., LTD. - Rules of Procedure for Shareholders' Meetings -

Amended on June 14, 2016
Amended on June 12, 2018
Amended on May 28, 2020
Amended on August 17, 2021

- Article 1 Unless otherwise provided in laws, the Company's shareholders' meetings shall follow the Rules
- Article 2 The shareholders referred to herein shall mean the shareholders per se and the proxies attending meetings on behalf of them.
- Article 3 The attending shareholders shall carry the attendance card with them. The shareholders' meeting shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.
- Article 4 The chair shall call the meeting to order at the appointed meeting time and the number of non-voting rights and the number of shares present will be announced at the same time. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than 1 hour, may be made.
- If after two postponements the attending shareholders represent less than one third of the total number of issued shares, the chair may announce that the meeting has failed to be convened for lack of a quorum.
- If the quorum is not met after two postponements as stated in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Paragraph 1 of Article 175 of the Company Act; the shareholders will be notified of the tentative resolution and another shareholders' meeting will be convened within one month.
- When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.
- Article 5 Where the shareholders' meeting is assembled by the Board, the Board shall stipulate the meeting agenda. The related motions (including extemporary motions and amendments to the original motions) shall be subject to the voting by poll. The shareholders' meeting shall progress in accordance with the arranged agenda, which can only be changed by the resolution of the shareholders' meeting.
- The provisions of the preceding paragraph apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the Board of Directors.

The Chairman may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting.

- Article 6 When a meeting is in progress, the chairperson may announce a break based on time considerations. A resolution may be adopted at a shareholders meeting to defer or resume the meeting within 5 days for the motion that could not be concluded in the meeting without the need of issuing a notice and announcement.
- Article 7 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the Chairman.
- A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.
- When a shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the Chairman and the shareholder that has the floor; the Chairman shall stop any violation.
- Article 8 Every shareholder's speech to single motion shall be no more than twice, unless the chairperson agrees so, and each speech shall be no more than three minutes.

- Article 18 The Company shall, at the end of each fiscal year, have the Board of Directors had the following reports prepared and presented to the shareholders meeting for approval: (1) business report (2) financial statements (3) earnings distribution or loss compensation statement.

Article 19 If the Company retains profit at the end of year, it shall contribute 6%~10% thereof as the remuneration to employees. The remuneration may be paid in the form of stock or in cash subject to resolution made by the Board of Directors. The employees include those of parents or subsidiaries of the Company who meet certain specific requirements. Meanwhile, the Company may contribute no more than 2% of said profit as the remuneration to directors subject to the resolution by the Board of Directors. The remuneration to employee and directors shall be reported in the shareholders meeting.

However, when the company still has accumulated losses, it should retain an amount to make up for the loss in advance, and then appropriate remuneration to employees and directors according to the ratio stated in the preceding paragraph.

Article 19-1 The Company's earnings, if any, should be applied to pay tax and make up for losses, and then appropriate 10% legal reserve. However, when the legal reserve is equivalent to the paid-in capital of the Company, the appropriation of the legal reserve could be ceased. In addition, special reserves will be appropriated or reversed according to law and regulations. The remaining amount, if any, plus the accumulated undistributed earnings will be available for distribution according to the proposal of the Board of Directors. The distribution of dividends to the shareholders should be presented in the shareholders' meeting for resolutions.

Where the earnings referred to in the preceding paragraph are intended to be allocated in cash, the Board of Directors is authorized to allocate the same per special resolution and report it to a shareholders' meeting.

The Company's dividend policy is based on current and future development plans, considering the investment environment, capital needs, and domestic and international competition, and taking into account the interests of shareholders and other factors, in order to stabilize business development and protect investors' rights and interests. The dividends to shareholders can be in the form of cash dividend and/or stock dividend; also, the cash dividend is not less than 25% of the total dividend.

Article 19-2 If the Company has no loss, the earnings distribution can be resolved specifically in the shareholders meeting according to the Company Act, which is issuing stock dividend or cash dividend with the legal reserve exceeding 25% of the paid-up capital and all or part of the capital reserve in compliance with the Company Act. When cash dividend is to be distributed, the Board of Directors is authorized to have it distributed with a special resolution reached and have it reported in the shareholders' meeting.
